

## KFHS Choirs Merit Point Program

Choral students are eligible for a merit point system. Points are assigned based on the values below and are used to determine end of year awards.

- Choral Letters (for school jackets) – 100 points
- Gold Bar Pin for Letters – 50 extra points in same year
- Chenille “Stripe” for jacket arm – 100 points (in successive years, like “re-lettering)
- Most points in each section will receive “Distinguished Service Award” pin
- Officers and Section Leaders will also receive pins
- In the case of equal musical ability scores on choir placement tests, merit points will break the tie
- Merit Points will be listed in the merit book which will be available for public viewing in the choir room
- Please contact Mrs. DeBanto ([debanto@sbcglobal.net](mailto:debanto@sbcglobal.net)) with any questions about points
- Any student caught tampering with the merit book will lose all their points and begin again at zero for the year
